STUDENT ELIGIBILITY FOR EXTRACURRICULAR ACTIVITIES & GOOD CONDUCT CODE

The Perry Community School District offers a variety of voluntary activities designed to enhance the classroom education of its students. Students who participate in extracurricular activities serve as ambassadors of the District throughout the calendar year, whether away from or at school. Students who wish to exercise the privilege of participation in extracurricular activities must conduct themselves in accordance with board policy and must refrain from activities that are illegal, immoral, unhealthy, or inappropriate. Participation in these activities is a privilege, conditioned upon meeting the eligibility criteria established by the Board, administration, and individual activity coaches and sponsors. The High School and Middle School office shall keep records of violations of the Student Eligibility Policy.

The Board's policy applies to all extracurricular activities, including, but not limited to:

Athletics, instrumental and vocal music performances, drama productions, speech contests, National Honor Society, all co-curricular clubs (e.g., Art Club, French Club), all honorary and elected offices (e.g., Homecoming King/Queen/court, class officer, student government officer or representative), state contests and performances for cheerleading and drill team, Mock Trial, Academic Decathlon, or any other activity where the student represents the school district outside the classroom.

This policy applies to students involved in High School (Grades 9-12) and Middle School (Grades 7-8) Activities.

Student Eligibility

To be eligible for an activity, students participating must

- be enrolled or dual-enrolled in school;
- receive credit in at least four full-time classes in the current semester;
- have earned passing grades in all classes at the end of the high school semester and make adequate progress toward graduation to remain eligible;
- be earning passing grades in all classes in the current semester. Any high school student not passing all subjects at mid-term (first/third quarter) will be ineligible from activities until passing status is attained in all classes. Any middle school student receiving a mid-quarter failing grade is ineligible until passing status is attained;
- In accordance with Scholarship Rule 36.15 (2) a student is academically eligible upon entering the ninth grade;
- for students in athletics, music, or speech activities, be under 20 years of age, for middle school be under 16 years of age;
- for students in athletics, music, or speech activities, be enrolled in high school for 8 semesters or less, for middle school be enrolled in seventh and eighth grade for 4 semesters or less;
- for students in athletics, have not been a member of a college squad nor trained with a college squad, nor participated in a college contest nor engaged in that sport professionally;
- for students in athletics, and the activities of dance and cheer, have a physical and consent form on file valid for one (1) calendar year. A grace period, not to exceed thirty (30) days, is allowed for expired certifications of physical examination;
- for students in athletics, and the activities of dance and cheer, have a concussion awareness form on file valid for one (1) calendar year;
- have met all transfer requirements, if the student is a transfer student, or be eligible under state law and regulations if the student is an open enrollment student;
- be in attendance for the entire day of a scheduled practice or contest to be allowed to attend, or to participate. (unless excused by the administration for special circumstances including but not limited to a funeral, approved college visits, school sponsored activities, medical appointments/procedures);
- for foreign exchange students, receive verification of eligibility from the IGSAU/IHSAA.

Any high school student involved in athletics not passing all subjects at the end of the semester will be declared ineligible in accordance with Department of Education and state athletic association/union policy for thirty

consecutive calendar days in the next sport or the current sport (if in season) in which the student participates. If a student drops out of or is removed from the activity prior to completion of the season, the penalty will begin anew when the student next participates in a sport, subject to the 12-month limitation. In the absence of Department of Education and state athletic association/union policy, any high school student not passing all subjects at the end of the semester will be declared ineligible to compete/participate the following semester for thirty consecutive calendar days beginning with the first day of the semester.

Students receiving an incomplete at the end of the semester are ineligible until a passing grade is achieved. Marks of incomplete will be assigned a letter grade by the classroom teacher following a period of two weeks. This period and time of ineligibility may be administratively amended based on medical conditions, family emergencies, and other extenuating circumstances.

A class withdrawal within the first five weeks will be recorded as a "W" and the student will receive no credit. A withdrawal from a class after the first five weeks of the course will be recorded as a failing grade. This period may be administratively amended based on medical conditions, family emergencies, and other extenuating circumstances. A student removed from a class, with administrative approval, for a discipline or an attendance issue will be considered a withdrawal, will be recorded as a "W", and the student will receive no credit. If the student is receiving a failing grade at the time of the removal, a grade of "F" will be recorded.

Students requiring special education or students covered by a Section 504 plan shall not be denied eligibility on the basis of scholarship if the student is making adequate progress, as determined by the administration, towards the goals and objectives on the student's IEP or accommodation plan.

Good Conduct Rule

To retain eligibility for participation in the Perry Community School extracurricular activities, students must conduct themselves as good citizens both in and out of school at all time. Students who represent the school in an activity are expected to serve as good role models to other students and to the members of the community.

When it comes to the attention of school officials that a student is suspected of violating this policy or the rules of a specific extracurricular activity, the school officials will determine whether the student has committed a violation which warrants invoking this policy. Prior to making a final determination that there has been a violation, the school official shall: (i) be informed of the allegations and (ii) perform an investigation; and the student shall (i) be notified, orally or in writing, of the allegations against the student and the basis of the allegations and (ii) be given an opportunity to respond to the allegations. Any student who is found to have violated the school's Good Conduct Rule will be deemed ineligible for a period of time, as described below. Admission by the student involved, violations observed by a staff member, and findings of a violation by law enforcement officials/courts of law (including but not limited to charges being filed, to admission, a finding of guilt, adjudication, plea bargains, results of alcohol/drug testing) will be grounds for invoking the Code of Conduct. Notification of a code of conduct violation will be provided in writing to the students and their parents, school administrators, and the activity sponsors/coaches involved with the student.

A student may lose eligibility under the Good Conduct Rule for any of the following behaviors:

- possession, use, distribution, or purchase of tobacco products or look-alike products, regardless of the student's age;
- possession, use, distribution or purchase of alcoholic beverages, including beer and wine ("use" includes having the odor of alcohol on one's breath);
- possession, use, distribution, or purchase of illegal drugs or the unauthorized possession, use, distribution, or purchase of otherwise lawful drugs;
- engaging in any act that would be grounds for arrest or citation in the criminal or juvenile court system, excluding minor traffic offenses or fish and game violations, regardless of whether the student was cited, arrested, convicted, or adjudicated for the act(s) and inappropriate or offensive conduct such as hazing or harassment of others;
- in addition, if the student's conduct, either in or out of school, is such as to make him/her unworthy to represent the ideals, principles or standards of the Perry Community School District, the Superintendent of Schools or his/her designee shall declare the student ineligible.

Penalties:

When the administration believes it is more likely than not that the student violated the Good Conduct Rule, during the school year or summer, the student is subject to a loss of eligibility as follows:

- First Offense Within the Student's Career – 14 days of ineligibility beginning with the next scheduled contest/public performance
- Second Offense Within the Student's Career – 6 weeks of ineligibility beginning with the next scheduled contest/public performance
- Third Offense Within the Student's Career – 6 months of ineligibility beginning immediately upon a finding of a violation and completion of an approved counseling program (for substance abuse issues). Should the student not participate in any school activities during the six months immediately following the violation, a six week period of ineligibility beginning with the next scheduled contest/performance will be administered. The period of ineligibility will not exceed twelve calendar months.
- Fourth or More Offense Within the Student's Career – 12 calendar months of ineligibility beginning immediately upon a finding of a violation and completion of an approved counseling program.

The period of ineligibility attaches immediately upon a finding of a violation if the student is currently engaged in an extracurricular activity and, if not, is begun or carried over to the time the student next participates in a contest/public performance. Students will not be allowed to participate in an activity which has already begun practice. However, if the period of time between a violation and an activity is twelve calendar months or more, the student shall not serve an ineligibility period for the violation.

An ineligible student shall attend all practices or rehearsals but may neither "suit up" nor perform/participate. If a student drops out of or is removed from an activity prior to completion of the activity, the penalty will begin anew when the student next participates in an activity, subject to the twelve month limitation above. A minimum of one event will be missed. In addition to the penalties identified above, a student found in violation of this policy as a result of a serious criminal offense/felony offense may be declared ineligible for participation in activities for an additional period of time determined by the school administration.

Violations of this policy by Middle School students (Grades 7-8) will accumulate during the Middle School years. Any period of ineligibility will carry over to High School participation. Offenses will begin at zero as the student becomes eligible for High School participation.

Reduction in Penalty and Evaluation & Treatment:

1. Admission Prior to Determination: If a student admits to or self-reports to an activity sponsor, a coach, the activity director, or an administrator a violation of the Good Conduct Rule within 24 hours of the incident, the student's penalty may be reduced by seven (7) days for a first violation. A second non-alcohol/drug violation may be reduced to three weeks.
2. Evaluation & Treatment :
 - A student who has a second violation of the alcohol or drug provision of the Good Conduct Rule may elect to seek an evaluation and, if recommended, treatment from a recognized substance abuse facility at the student's or student's parent/guardian's expense. If the student self-reports/admits to a violation, seeks the evaluation, and agrees to waive confidentiality to allow the facility to report back to the superintendent or designee regarding recommendations for treatment or follow-up care, the student's penalty for the second violation may be reduced to three (3) weeks.
 - A student in violation of the alcohol or drug provision of the Good Conduct Rule a third time (and any additional violations) is required to complete an approved counseling program from a recognized individual/facility at the student's or student's parent/guardian's expense with the agreement to waive confidentiality to allow the individual/facility to report back to the superintendent or designee regarding recommendations for treatment or follow-up care. This program must be completed in order to regain eligibility following completion of the period of ineligibility. If the student's involvement in a counseling program extends beyond six months, eligibility reinstatement will be considered upon a written request for administrative review.

Violations Occurring During Ineligibility:

A student must be eligible in accordance with this policy in order for a Code of Conduct penalty to be successfully completed. If a student is ineligible at the time of a violation of the Good Conduct Rule, the penalty for the violation will not begin until the student regains eligibility. Example: A student academically ineligible is found to be in violation of the Good Conduct Rule. When the student is again academically eligible, the Good Conduct penalty attaches. Example: A student violates the Good Conduct Rule and is ruled ineligible. While ineligible, the student again violates the policy. The second penalty attaches when the first penalty is completed.

Transfer Rule

A student who has been declared ineligible for participation in extra-curricular activities by another school district who then enrolls in the Perry Community School District shall be ineligible for participation in extra-curricular activities in the Perry District for the balance of the period of ineligibility as if the student were still enrolled in the former district, except that the student shall generally be allowed to participate in practices regardless of the former district's policy on practices during periods of ineligibility. The student may file a written request with the building principal to have the term of ineligibility imposed by the former district reconsidered. The administration may shorten the period of ineligibility if it is determined that the student would have received a shorter period of ineligibility if the student had been enrolled at Perry at the time the ineligibility was imposed by the former district. The number of periods of ineligibility imposed by the former district shall be considered when imposing sanctions for a violation of the Perry Good Conduct Rule after enrollment in the Perry Community School District (e.g., if the student had one period of ineligibility prior to enrolling in Perry, a violation of the Perry Good Conduct Rule shall be treated as a second offense).

Additional Coaches/Sponsors Rules:

Coaches/sponsors retain their authority to consider the amount of participation time for a student based on the student's commitment to the school-sponsored activity.

Coaches/sponsors may have additional rules and regulations for their activity that are consistent with this policy. A written copy of these rules will be provided to each student and filed with the Student Activities Director.

Academic Consequences:

Unless the student violated the Good Conduct Rule while on school grounds or at a school event or activity off school grounds, there will be no academic consequences (e.g., detention, suspension from school) for the violation.

If a student is required to perform as part of a grade (e.g., band or chorus), and that student violates the Good Conduct rule, the student will be withheld from participation (but may practice) without any impact on the student's grade for the course.

Appeals:

Any student who is found by the district to have violated the Good Conduct Rule may appeal this determination to the principal by filing a written appeal to the principal within 3 calendar days of being advised of the violation. The penalty will be in effect pending the principal's decision.

Any student who is found by the principal to have violated the Good Conduct Rule may appeal this determination to the superintendent by filing a written appeal to the superintendent within 3 calendar days of being advised of the decision by the principal. The penalty will be in effect pending the superintendent's decision.

In regard to third/subsequent offenses, within 3 calendar days of being advised of the superintendent's decision, if the student is still dissatisfied, he or she may appeal to the school board by filing a written appeal with the board secretary. The grounds for appeal to the school board are limited to the following: the student did not violate the Good Conduct Rule or the Board Policy was not followed by the district. The penalty will remain in effect pending the outcome of the review by the board.

If the school board reverses the decision of the administration, the student shall be immediately eligible and shall have any record of the ineligibility period and violation deleted from the student's record.

Non-School Sponsored Activities:

A student who participates in school-sponsored activities may participate in the same non-school sponsored activity during the same season. However, such outside participation should not conflict with the school-sponsored activity. Written notification shall be provided to the head coach/activity sponsor and to the Student Activities Director of the student's intent to participate in a non-school activity in the same season as the high school activity, prior to the beginning of the District's season. Any student not providing this written notification who participates in a non-school activity may be subject to sanctions determined by the head coach/activity sponsor and the student activities director. A student and parent may appeal the sanctions in accordance with the guidelines identified in the appeals section of this policy. Coaches/sponsors retain their authority to consider the amount of participation time for a student based on the student's commitment to the school-sponsored activity.

EQUITY STATEMENT

It is the policy of the Perry Community School District not to illegally discriminate on the basis of race, color, national origin, gender, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. HOMELESS CHILDREN AND YOUTH

The District shall make reasonable efforts to identify homeless children and youth of school age within the District, encourage their enrollment and eliminate existing barriers which may exist in District policies or practices to their receiving education. A homeless child is defined as a child or youth between the ages of 3 and 21 who lacks a fixed, regular and adequate nighttime residence and includes a child or youth who is living on the street, in a car, tent or abandoned building or some other form of shelter not designated as permanent; who is living in a community shelter facility; or who is living with non-nuclear family members or with friends, who may or may not have legal guardianship over the child or youth of school age. So that enrollment of homeless children and youth of school age may be facilitated the following policy areas shall be modified as necessary: school records, immunization requirements, waiver of fees and charges, enrollment requirements/placement, residency and transportation. All services, which are available to resident students, shall be made available to homeless children or youths enrolled in the District. Services include special education, talented and gifted programs, vocational education, English as second language programs, health services and food and nutrition programs.
